HIGHLIGHTS

Stand on the expansive wooden deck and feel the momentum of the ship, enjoying the drama as the wind fills the sails and the rigging strains. Gaze out to the horizon where sunlight catches the rippling waves and relish the excitement that comes with spotting dolphins riding the bow wave and leaping playfully from the water.

Discover the NEW Golden Horizon, the largest sailing ship in the world. A grand ship with unique adventures. The five-masted barque is based on France II, a legendary square rigged tall ship build in 1913. First class service, top-notch dining and elegant cabins, all with a sea view are all part of the luxurious experience on board. The onboard experience is first-class without being being formal.
